SEMI-WEEKLY—TUESDAYS AND FRIDAYS

VOL. XLVIII. UPLAND, CALIFORNIA, TUESDAY, MARCH 2, 1943. NO. 86.

Site of $415,000 Improvement

Within the area sketched here will be erected housing facilities for 100 families. Occupying a central location among the residences will be a community club house.

Of brick construction, the houses will be made available for defense workers. Upland Housing authority is sponsoring the project.

Housing Project Contract May Be Let Here Tomorrow

100 FAMILIES TO BE SERVED WHEN HOUSES FINISHED

As is to be expected, all thought in regard to Upland's $415,000 housing project is centered on the opening of bids from a dozen contractors at 3 p.m. Wednesday.

If the low bid is within the alloted amount, contract for construction of dwellings for 100 families may be granted late Wednesday afternoon, according to Paul F. Schowalter, chairman of the Upland Housing authority. There is a possibility, however, that an analysis of the figures may require additional time.

In any event, actual construction of the housing project is scheduled to be started in the immediate future.

FINISHED IN 3 MONTHS

The contract will specify completion of the buildings within three months.

Several local firms are figuring on various phases of the proposed construction. Neeley & Berry, West Ninth street, are figuring on the general contract and other local firms on sub-contracts.

Otto S. Roen, who will return to Upland as executive director of the project, and various officials of the United States Housing authority, will be here for opening of the bids.

ON CAMPUS AVENUE

Site of the project is on the east side of Campus avenue north of Foothill boulevard. Northern boundary is Thirteenth street. It will extend to 694 feet east of Campus and approximately 1,000 feet south of Thirteenth street.

In a central location, a community hall will be placed and surrounding this will be four houses with four bedrooms, eight houses of one bedroom, 62 houses of two bedrooms, and 26 houses of three bedrooms.

Brick will be the material used in the construction. Placing of sidewalks, curbs and landscaping are to be included in the contract price.

All members of the housing authority are expected to be present for the historical opening of the estimates. The board members are Mr. Schowalter, Everett W. Henry, Dr. Lillian F. Baxter, Alan A. Couch and Henry M. Busch.

Issue Appeal For Upland Donations To Be Made Here

Upland's United Nations War Relief committee, organized here under appointment by New York and Los Angeles officials of the nation-wide campaign, is endeavoring to uphold this community's established reputation for never lagging in support of a worthy cause.

Wishing not to conflict with the very essential Red Cross campaign now underway, the United Nations War Relief committee is deferring active solicitation for contributions until after the Red Cross drive is closed.

However, the committee sincerely requests that everyone desiring to contribute to the War Relief fund, turn in their donation to the Upland committee's treasurer, Harland P. Horak, at the Upland branch of the Bank of America.

In this way only will Upland receive credit for the success of the campaign here.

FOOD FUND UP TO $25 THIS WEEK

Lady luck called at the Charles Hays home, 40 F street, for the second time within two years last night.

Mrs. Hays, who was awarded $25 from the dividend day jack pot early in the merchandising program, won $25 again last night. The Hays' address is on page 21, line 41. Pete Hogan, a visitor here late yesterday, conoducted the drawing for The News.

Mrs. Hays had the necessary sales slips to qualify for the award. She said the Red Cross would receive a portion of the money.

Mrs. H. G. Moore, 337 South First avenue, was not at home and the food store sales slips were not posted outside her home last Thursday at 6 p.m.

That being the case, she did not win the $15 offered by The Upland News last week from the food advertising fund.

That being the case, $25 will be offered to some resident in the Upland district at 6 p.m. Thursday of this week.

Sales slips may be obtained from any of the food stores advertising in today's issue of The News. Stores eligible to give out sales slips for this fund are Johnson's grocery, Lee's market. Safeway, Walker's market, Anderson's, Olson's market and Clint's produce.

The sales slips are to be obtained either Wednesday or Thursday. The purchases at one or more stores must total at least $1.

Mr. and Mrs. H. G. Humble, 298 Sixth avenue, had the pleasure of entertaining Mrs. Winifred Harby of Toronto, Canada, over the week end, she being a guest of her brother in Los Angeles for the winter. Mrs. Harby is a friend of Mrs. Humble's cousin who visited here a few years ago.

TWO VACANCIES IN CITY HALL MAY BE FILLED THURSDAY

With a fire chief to be appointed and with one vacancy on the city council to be filled, the city council faces a busy evening on Thursday.

Action may or may not be taken in filling the vacancies.

The fire and police commission, numbering Councilmen Richard A. Ibanez and Ray R. Sherwood, is scheduled to make a report dealing with its study on the proposed suggestions for changing the operation of the fire and police departments.

The position of fire chief is held temporarily by Glenn M. Atwood since Jake W. Voth has resigned. Mr. Voth's successor is to be named but the councilmen have given no official indication as to whether this will be done Thursday.

The resignation of Paul G. Hottel has been received and this will be presented to the council. Mr. Hottel is now at Fort Sill, Okla., in an officers training school.

It is up to the four members of the council to choose Mr. Hottel's successor. Besides Mr. Ibanez and Sherwood, the councilmen are Mayor Eugene G. Nisbet and James Goodban.

DECORATORS BUSY AT COUNTRY CLUB

In preparation for the spring social season at Red Hill Country club, the club house is undergoing a thorough spring house cleaning and re-decorating, under the general direction of Paul Adams, vice-president and house chairman.

Some structural changes are being made in the interior of the club house and the painting and other interior decorating is being personally supervised by Mrs. W. L. Scheu, chairman of the entertainment committee.

The club house will be in the hands of the workmen for several days and during this week no luncheons or dinners will be served.

However, the club house will be open for the convenience of golfers or other members who care to drop in.

Mr. and Mrs. Charles Muir, who are returning to the club to be in charge of the kitchen and dining room, succeeding Mr. and Mrs. Paul Baird, who recently resigned, are spending part of the time this week at the club house making preparations to resume catering next week.

Dr. A. A. Aita, president of the club, and his board of directors have not yet selected a successor to Thos. J. Sheehan, who recently resigned after serving the club as secretary and golf pro for 17 years.

Cadet, Formerly of Chaffey, Is Killed

Giles Little, naval air cadet, was killed last week in a trainer plane crash 25 miles from Corpus Christi, where he was taking advanced training after civilian pilot training at Silver Lake and basic work at Las Alamitos. Little was a graduate from Chaffey junior college with the class of 1942.

PUBLIC ASKED TO PICK CITRUS TO SAVE LOCAL CROP

With the orange harvest weeks behind schedule and with no immediate prospect for an improved labor situation, an urgent appeal for people in the community to go into the groves at every available hour was issued today.

Perhaps the most active individual in organizing businessmen and others into picking crews is Leigh Thompson.

From him came today the request that volunteers sign up at the Upland chamber of commerce office. Pay will be at the "going wage", which is considerably above the rate paid in recent years.

"Either the packing house managers or myself will see to it that these volunteers are assigned to a grove and that every available person is given an opportunity to pick as many boxes as possible."

Mr. Thompson recognized that the week-ends would afford the most logical time for persons to don a picking bag to help out in the emergency. Persons with "time off" during the week can also be of great assistance, he emphasized.

"If scores and scores of men cooperate to the fullest, part of the labor shortage can be offset," declared the energetic, versatile Mr. Thompson. "If there is not an increase in the number of volunteers many citrus growers face a tremendous loss. It is up to people in the community to meet the emergency by devoting their spare time to harvesting the crop."

Mr. Thompson explained that all volunteers may sign up at the chamber of commerce, stating what days or portion of days they will be available for help.

Elayne Bradley Wins Bread Making Event

Elayne Bradley won first prize in the bread making contest conducted in the three advanced food classes in the Chaffey high school home economics department Monday morning. Second place was won by Miss Frances Thomas, and third by Miss Verna Gordon.

Prize winners were awarded victory stamps for their work in each class. The final group included Virginia Nicholson, Mary Hill, Paula Jo Payne, Una Mae Paulson, Ve Rene Schott, Dorothy McCoy, Ethel Dodge, Della Emrich, Jackie Humphrey, and the three winners.

Hunting, Fishing In China Subject At Rotary Meeting

His interesting and unusual hunting and fishing experiences in China were related at the Upland Rotary club meeting today by Dr. James V. Latimer. The meeting was held in the Lucy and John's cafe.

Dr. Latimer lived for many years in China and during that time became to intimately know the Chinese.

A lover of the out-doors, Dr. Latimer hunted and fished with the Chinese, and it was about these trips he entertained and informed the Rotarians. Charles Perrin was the program chairman.

Freezing of rationed foods had its bright side for Mr. and Mrs. Hjalmar Anderson of Anderson's market. Having the store's large new stock prepared for resumption of sales this week, Mr. and Mrs. Anderson took advantage of the temporary lull in business and went to Los Angeles Thursday evening for a week end vacation. They returned for the opening of the store Monday morning.

Mrs. T. George Cunning, 850 West Arrow highway, is a patient at the San Antonio Community hospital, she having undergone a major operation on Friday.

Mrs. Robert K. Kelley (Thurma Leabo) has returned to her work as record librarian at the San Antonio Community hospital from Fort Worth, Texas, where she was married February 20.

First Anniversary But No Picture of Policeman Today

A photograph of Henry Younge was scheduled for publication in this space in The Upland News today as one of the series informing Uplanders about the law enforcement men who are on constant guard.

The engraver's cut, however, had not arrived at The News office prior to press time.

It would have been a very timely use of Mr. Younge's picture today because he began his second year as a police officer yesterday. On March 1, 1942, he joined the Upland force—but more about him in Friday's Upland News.

FREE PICTURE TO AID RELIEF FUND

An opportunity to see a great motion picture and at the same time to aid a great cause will be afforded the people of Upland and other West End communities on Sunday evening, when Francis R. Line shows his now famous colored picture, Circle of Fire in Fellowship hall of the Methodist church.

Presenetation of Mr. Line's incomparable picture and his accompanying lecture is being sponsored by the Upland committee for the United Nations War Relief fund, Dr. Samuel Hughes, chairman.

Mr. Line's several pictures, recognized by such authorities as the National Geographic as one of the finest and the most timely series ever filmed, have been shown in Upland. However, there still are many persons who have not seen the Circle of Fire picture, and those who have seen it would do well to see a second time this picture that without doubt is destined to become of great historical value.

The picture will be shown at 7 o'clock Sunday evening. There will be no admission charge. A silver offering will be made for the United Nations War Relief fund.

The fund is to be used to aid the suffering civilian populations in the war-torn united nations, in an effort to lessen to some degree the tragedies of war for the Chinese, the Dutch, French, Greek, Polish, British and Russian peoples.

Proceeds from the benefit picture and lecture will be turned over to Harland P. Horak, treasurer for the Upland committee, at the Upland branch of the Bank of America.

"GIVE DOUBLE" IS PLEA AS RED CROSS DRIVE IS STARTED

To maintain the American Red Cross in its great service to the soldiers and to the war victims throughout the world, it is up to individual residents in the Upland district to do their full part in providing the $9,940 quota here.

This is a small part asked of residents here compared with the great burden that falls upon so many other people.

Such was the sentiment expressed today by Frank K. Nichols, chairman of the Red Cross war fund campaign. This view was whole-heartedly supported by the 180 active workers in the Red Cross solicitation as they began calling at every home in the community.

Recognizing the great need for far greater Red Cross service than ever, these solicitors asked that people "give double this year".

While reports have been received from only a portion of the solicitors, the receipts at noon today totaled $11.30.

Solicitation will be made to all individuals and not through groups as such, explained Mr. Nichols. For example, employes of any of the packing houses or any organization will be given an opportunity to give personally. Contributions will not be sought through the groups, according to Mr. Nichols.

"In this war the American Red Cross is a front-line outfit as well as an instrument of home defense," Mr. Nichols said, in quoting from an article by Walter S. Gifford, was fund chairman. "Red Cross field directors go where the men go; often they go ashore with amphibious attacking units. Commanding officers have come to lay extraordinary emphasis upon the work they do to heighten the morale of troops at battle stations."

Senior Play Will Be Given Friday

Chaffey high school senior play will be presented in the civic auitorium Friday night.

"Incognito" is a thrilling murder mystery and critics report it will be one of the finest ever presented by Chaffey students.

Commander Edgar Pierce announced today that a fish dinner would be served preceding the regular business meeting in the Legion club house.

February Postal Business In Gain

February postal receipts were 12 per cent higher than during February of last year.

Postmaster Orton P. Brady reported today that the February gain was a trifle higher than the January 1943 increase over January, 1942.

CHANGE "INCIDENT" DRILL

The next air raid "incident drill" here will not be held March 11 and the new date will be set at the meeting of the Upland defense council tomorrow. The March 11 date conflicts with the Civic concert series at Chaffey.

MEXICAN LABORERS FAIL TO ARRIVE; GROWERS SEEK AID

Accommodations have been made available for more than 100 Mexicans imported for work as citrus pickers—but they haven't arrived here.

If or when they will come are questions unanswered even though officials of the Upland Lemon Growers association and the Upland Heights Orange association have prepared to receive them.

This situation was called to the attention of the San Bernardino county supervisors yesterday by Paul Daggs. As representative of the Ontario-Cucamonga Fruit Exchange, the Lemon Growers and the Upland Citrus association, Mr. Daggs emphasized the critical labor situation facing citrus growers.

"We cannot market the orange crop with the present labor supply," he declared, after pointing out that the Upland associations had qualified with the federal government to receive laborers from Mexico.

C. E. Grier, Upland, chairman of the board, assured Mr. Daggs that everything possible would be done to bring relief to the citrus industry.

Methodist Youths' Club To Entertain Parents on Friday

Inviting their parents to join in their recreation, the Youth club of the Upland Methodist church will meet Friday evening in Fellowship hall for a contributed dish dinner and evening of fun.

Mrs. Arthur Sherbondy, who is in charge of indoor activities for the club, is arranging a program of games and other entertainment.

Last Friday approximately 70 young people of the church went to the Pomona rink for a roller skating party, arranged by J. H. Paulin, who is the club's supervisor of outdoor activities.

Mr. and Mrs. H. J. Clewett are sponsors of the club, which includes young people of junior high school age.

Mr. and Mrs. Harold A. Dundas and their son-in-law and daughter, Mr. and Mrs. Ralph A. Treber, and small son, Noel, all of Hollywood stopped for a visit Sunday afternoon at the home of Mrs. Dundas' brother and sister-in-law, Mr. and Mrs. Louis E. Kronmeyer, 446 North Sixth avenue. The visitors were enroute to San Bernardino to see Mrs. Dundas' mother, Mrs. Harriet Kronmeyer.

Local Boys Enter Fresno Air Corps Training School

Five Upland boys left Sunday morning for Fresno, where they are to be stationed as cadets in the army air corps training school.

The young men, all graduates of Chaffey High school and students in Chaffey junior college when they enlisted in the air corps some time ago, are Dale Hewett, son of Mr. and Mrs. Walter D. Hewett, 489 West street; Richard Bice, son of Mr. and Mrs. John L. Bice, 951 North Fifth avenue; Dean Anderson, son of Mr. and Mrs. Leslie Anderson, 1915 Wets Arrow highway; Arthur Hughes and Don Ellis, whose parents live in the east.

Since enlisting in the air corps the boys have been receiving preflight training in Los Angeles. They were accompanied to Los Angeles by Mr. and Mrs. Hewett and daughter, Barbara; Mrs. Bice and Buddy Boothe. The relatives and friends found it an inspiring sight as the large group of prospective airmen swung into line and boarded the train to the strains of the army air corps march.

BOY SCOUTS BRING IN VICTORY BOOKS

Thanks to Boy Scouts of Upland troops 1, 3 and 4, and to the generosity of Upland residents, the local library now has on hand a total of 450 books and 418 magazines—practically all being National Geographic magazines—to be sent to American service men wherever they are stationed in various parts of the world.

This is Upland's contribution in the Victory Book campaign, and the drive is not over, says Mrs. F. H. Manker, local librarian.

Making a house-to-house canvass Saturday, the Boy Scouts collected 263 books and 370 magazines, mostly the National Geographics, that the men are calling for.

On the first day set for the house-to-house canvass, February 22, the rain fell steadily all day. Nevertheless, 21 books were brought in on that day.

Last Saturday the weather favored the boys and they started out early and worked diligently, with excellent results.

If there still are persons who have good books or National Geographic magazines to give to the men in training camps, on the air fields, in the firing line, in the requested to take them to the library or to notify the librarian. air, on land or at sea, they are

Mildred Nichols Enlists In Waves At Pomona Office

As the result of the active campaign to enlist Waves and Spars, begun a few days ago by the naval recruiting office in the Pomona post office building, Miss Mildred Nicholls, daughter of Mr. and Mrs. Richard P. Nicholls of Ontario, enlisted in the Waves on Saturday, February 27. Miss Nicholls is the first young woman in the West End to respond in the present enlistment campaign. She is now awaiting her call to Hunter college, New York City, where she will begin her training.

Numerous inquiries concerning enlistment have been made by West End men and women, including several from Upland, it was stated today by the recruiting officers.

Judge and Mrs. Fred H. Jacobs had as guests at their home, 421 North Eighth avenue, Mrs. Jacobs' mother, Mrs. A. E. Freeman, and her brother-in-law and sister, Mr. and Mrs. Charles Seaman, all of Escondido.

Mrs. Arnold Rodes of Clovis, N. Mex., is visiting her brother-in-law and sister, the Rev. and Mrs. Alvin C. Burkholder, 548 North Second avenue, and expects to remain for two weeks. Mrs. Rodes came west to visit her son who is in training at the San Diego naval base, and she spent the past week-end with him in the southern city.

Upland Gains, Not Decreases; Ration Figures Don't Say So

Somewhere in Upland are several hundred residents who do not have their war ration food book No. 2.

Or, these several hundred persons obtained their books somewhere other than at the three Upland schools.

It is not like Uplanders to admit that since May, 1942, the population has decreased 56 as the ration figures might indicate. Other factors give strong proof that the population has gone upwards.

The fact remains, however, that 7,136 food ration books were issued to local residents at the three Upland schools last week. Sugar ration books issued about a year ago totaled 7,192, which shows the 1942 figure as 56 higher than the 1943 figure.

"It is very likely that Uplanders, working out of town, obtained their food ration books somewhere else, which was possible for them to do," is the explanation given.

WILFRID H. HENRY CLAIMS BRIDE AS FURLOUGH ENDS

When Sergeant Wilfrid H. (Bill) Henry, home on furlough, departs tonight for Buckley field, Denver, he will say goodbye to a winsome bride, the former Miss Rosamond Rutty of Pomona.

Changing their previously made plans for a later wedding, the couple decided almost on the last day of his leave to be married at once and they motored to Las Vegas for the ceremony, which occurred late Sunday morning.

They were accompanied by friends from Pasadena, Dr. and Mrs. Joseph Engholm.

For the ceremony the bride wore a spring suit of black and white wool and a black and white hat, with wine colored accessories.

Mr. and Mrs. Henry returned immediately to the home of the bride's parents, Mr. and Mrs. Carl Rutty, 2795 North Garey, Pomona, and on Monday they came to the home of Mr. Henry's parents, Mr. and Mrs. Everett W. Henry, 175 West Foothill boulevard, where a dinner was served in their honor.

The bride, a native of Pomona, attended the Pomona high school and junior college and later she attended a school of drama in Pasadena and also studied at the famous Martha's Vineyard drama school off the coast of Massachusetts.

After graduating from Chaffey high school and junior college, Mr. Henry had a post graduate course in directing at the Pasadena Community Playhouse. For several summers he has been a member of the faculty at Martha's Vineyard and during two winter seasons he directed the Pomona Little Theatre Guild.

For the past year Sergeant Henry has been stationed first at Lowrey field and now at Buckley field, near Denver, Colo., where he is serving as instructor in a U. S. army air corps technical school. He will leave tonight at 7:54 over the Santa Fe for Buckley field.

Mrs. Henry is remaining with her parents until arrangements are made for her to join her husband.

Noted Evangelists To Speak Thursday At Beulah College

The evangelists, who have been known to many members of the Upland Brethren in Christ church for the past 25 years, have conducted evangelistic campaigns in practically every country in the world, with the exception of those in South America.

Mrs. Dundas Honored Guest As Layette Shower Given

With Mrs. Fredric W. Dundas (the former Margaret Brest) as the guest of honor, Mrs. Glenn H. Wright and her daughter, Mrs. Alfred Swinney (Elizabeth Wright) were hostesses at a layette shower given last evening at the Wright home, 624 West Arrow highway.

Sweet peas and japonica blossoms provided a springtime decoration for the rooms and for the refreshments table.

Two amusing games were played, one, "baby's blunders, and the other a drawing contest which was held in the dark, with Mrs. Ralph H. Marr winning the prize.

A new method was used in the presentation of the many dainty gifts. A huge stork stood in the center of the table and from his long beak each guest was required to draw a ribbon to which was attached a card giving instruction where to find a concealed gift. Thus the guests searched for the gifts and brought them to the honoree, who had the pleasure of opening the various parcels.

F. L. WARBURTON YIELDS TO DEATH

Succumbing to an illness of two months following a long period of declining health, Frederick Lee Warburton passed away at 10 o'clock Saturday night, February 27, at his home, 2406 North Euclid avenue.

Mr. Warburton, 74 years of age and a retired rancher, was a native of Pennsylvania. He had lived in California for 38 years and in Upland for 21 years, coming here from Long Beach.

A retiring, kindly man, Mr. Warburton in his later years led a quiet life, still he was known to many friends who held him in high regard.

Surviving members of his family are his wife, two daughters, Mrs. J. Harold (Wanda) Freeman and Miss Dorothy Eleanor Warburton, both of Upland; a son, H. W. Warburton, of Taft; three sisters, Mrs. C. E. Haworth of Orgonio, Kan.; Mrs. D. W. Bailey of Dallas, Texas, and Mrs. J. A. Mumm of Portland, Ore., and two brothers, E. M. Warburton of Enderline, N. D., and W. H. Warburton of Portland, Ore.

Private funeral service was held at 10 o'clock this morning at the Stone mortuary chapel, with Dr. Samuel Hughes, pastor of the Upland Methodist church, officiating. Organ selections were played by Thomas Sisto, the numbers including favorite old hymns, and, during the service, "Does Jesus Care". Beautiful flowers were sent by many friends of the family.

Intombment occurred in the Pomona mausoleum.

METHODISTS BEGIN DEDICATION WEEK

Upland Methodists are participating in the nation-wide "Week of Dedication", by holding two special services this week. The first of these dedication services will be held Wednesday evening at 7:30 in the church sanctuary, and the second will be at the regular hour, 11 o'clock Sunday morning. The pastor will be in charge of both services.

In commenting on the importance of this Week of Dedication, Dr. Hughes said:

There are 42,000 Methodist churches in America open this week; 8,000,000 Methodists are participating in the nation-wide dedication.

The purpose is for prayer and the re-dedication of the whole church, to bring the Lord Christ to the world in this tragic hour.

Eighty-two young men from this church are now in some branch of service for their country. The families and their friends are asked to meet with us Wednesday night and share in an intercessory service.

METHODIST WOMEN TO MEET THURSDAY

Women of the Methodist church will gather Thursday morning for their monthly all-day session, according to plans announced by Mrs. Harold J. Stickney, president of the Methodist Women's Society for Christian Service.

Meeting at 10 a. m., the four circles, N. E. W., East Side, Orange Drive and Willing Workers, will hold their separate business sessions. At the conclusion of these meetings the entire group will convene for the foreign missionary study, a review of a portion of the study book, "On This Foundation", dealing with Latin-America.

At the noon hour the Orange Drive circle will serve luncheon in Fellowship hall.

SHERWOOD CALLED

R. Robert Sherwood, who was sworn into the U. S. army air corps on December 1, departed Saturday night for Lincoln, Neb., to become a cadet in the pre-flight training school there. Mr. Sherwood received his call Thursday and that night he was made a member of the Ontario Elks lodge, becoming the fiftieth member of that lodge to go into the service. He is the son of Ray R. Sherwood, Upland city councilman, and Mrs. Sherwood, 815 West Seventeenth street, and for the past few years he has been employed as inspector for Old Baldy Citrus association. A native of Kentucky, she came to California 33 years ago and had resided in Etiwanda for approximately 31 years.

Miss Bilyeau's only survivors are her step-father, Wm. E. Layton, of Etiwanda, and a cousin, Sidney Saddler, in Atascadero.

Uncle Sam's "Book of the Month" is War Ration Book Number Two! Millions of copies of this publication were issued last week to men, women and children of America. To help you make the best use of your copy, Safeway has moved all "point rationed" foods into a single section of each store. Here you may make your selections as leisurely as you wish, comparing values, in order to spend your "points" in the most profitable manner for your family.

We reserve the right to limit. No sales to dealers.

RULES OF POINT RATIONING
(1) Point values have nothing to do with dollars-and-cents prices. You have to give the money price and the point stamp price for every purchase in a rationed group.
(2) You have freedom of choice in using your points to buy any rationed item, provided it is available.
(3) If you buy foods with a low point value you will be able to buy more of the articles in the same rationed group.
(4) Point values of all rationed foods are set by the Government and not by the storekeeper or by the manufacturer.
(5) You are not permitted to buy point rationed items, at any store, without giving point stamps . . . even on a charge account.
(6) High point stamps should be used when buying a number of rationed items at one time. Conserve your low point stamps as storekeepers cannot give you ration stamps in change.
(7) Loose stamps are not valid. Stamps must be torn out of your ration book at the time of purchase and in the presence of your grocer.
